Tzedakah

Tzedakah (charity) is a basic value in Judaism. Our school attempts to develop a commitment among our students to share with others less fortunate than themselves by donating a few pennies a day to charity. Please try and send some coins to school each day to help encourage your child to perform this mitzvah.

Snacks

A kosher snack will be provided to all the students at Hebrew School. We request that you do not send additional snacks or drinks due to Dietary Laws and for Health reasons. If your child is allergic to any food or beverages, please be sure that it is written on his/her form.

Curriculum

Hebrew

Beginning with letter recognition for our youngest children, this program leads them through phonetic decoding, reading comprehension and writing. Age appropriate textbooks and workbooks will be completed throughout the year.

Aleph Champ Program

The Aleph Champion Program is on the cutting edge of Hebrew reading today. Modeled after the Karate-Martial arts motivational system, it works by dividing different reading skills into levels defined by color. Students understand that their teacher is a black aleph champion and their goal is to reach that level.

Torah (Bible) and Jewish History

The children are introduced to the characters and stories of the Bible. They are given an overview of Jewish History starting with creation to the giving of the Torah to modern day Israel.

Holidays

Hands-on lessons on each Jewish holiday will fill the calendar as we proceed from Rosh Hashanah and the High Holiday through the holiday of Shavuot. The students will have a deeper understanding of each holiday, traditions and customs. Chabad Hebrew School will also host holiday celebrations for our students and their families.

Jewish Values and Ethics

Using various textbooks the students will read and discuss stories and case scenarios that have practical application to our every day life. They will understand that our religion is based on G-d given values and morals.

Arts and Crafts

Art projects are incorporated into our curriculum, reinforcing the students lesson as well as exercising the students artistic abilities.

Extra Curricular

Students and their families are welcome and encouraged to attend and join all activities run by the Chabad Jewish Center of Holmdel. These activities will be set around the Jewish Holidays and will reinforce the students studies at Hebrew School.

Bar and Bat Mitzvah Training

All students near the age of Bar and Bat Mitzvah (13 years for boys and 12 years for girls) will be given special training to prepare them in a meaningful way for their special day.
